

# Celebrating

2-3 OCTOBER 2010 **121 years**

## LONGERENONG COLLEGE

With a far-reaching reputation as one of Victoria's leading tertiary providers for agricultural studies, Longerenong College is an icon in the heart of western Victoria's Wimmera grain-belt.

And in 2010 Longerenong is celebrating an impressive milestone – 121 years.

That's 121 years of agriculture, 121 years of learning, 121 years of careers, 121 years of tradition and 121 years of pride. To anyone with links to Longerenong - it's more than a college, school or university. Longy is a part of our lives.

We are proud to invite you to help us celebrate 121 years of Longerenong College.

We have a jam-packed weekend of activities that acknowledge the most important part of our history – **YOU**... the people who have made Longerenong what it is today.

We are inviting all students and staff, past and present, and hope you'll pass this on to the people you shared Longy with so we can celebrate our 121<sup>st</sup> birthday together!
